Background

Founded in 2010, **Finance Montréal**, the financial cluster in Quebec, is at the heart of the development and promotion of the Quebec financial services industry and its international positioning as a growing, competitive, attractive and innovative world-class financial center. The organization also focuses on fintech and innovation, sustainable finance and talent development. Hub of the financial community, Finance Montréal mobilizes its forces around these poles, much like the community it built around its Montréal FinTech Station.
